THE AREA

We will meet you at Maun Airport, introduce you to your pilot before you depart on an amazing 25min scenic flight to Oddballs Camp deep in the Okavango. Oddballs' Camp is situated on the edge of Chief's Island, deep in the heart of the Okavango Delta,. All activities are led by men from the local communities. Oddballs is situated on the edge of Chief's Island, deep in the heart of the Okavango Delta. The area is known to be one of the most magnificent permanent water sites in the Delta.

ABOUT ODDBALLS

The bar and lounge areas at Oddballs' Camp provide a great meeting place and somewhere to swap stories around the fire. There is a raised viewing deck that overlooks the sweep of the Delta – the perfect vantage point from which to watch the sun set over the palms and view whatever wildlife may be visiting.

ACCOMMODATION

Accommodation is in 3m x 3m canvas rooms (including two family units), thoughtfully created and set on elevated wooden decks shaded by the trees and canvas shelters. Beautiful outdoor showers and ablutions en-suite offer hot and cold running water for a traditional al-fresco bucket shower. A small deck offers a place to relax and view the stunning scenery.

ACTIVITIES

Oddballs' Camp offers no motorized activities. Each guide has his own mokoro (pl. mekoro), (the genuine wooden article, not the plastic replica), in which he'll take you gliding through the Okavango to nearby islands, where he'll walk you through magnificent scenery to view game, birds, insects, medicinal plants, tracks, signs, droppings, and other fascinating natural phenomena.

WILDLIFE

Oddballs' Camp is situated within a diverse habitat that includes an incredible variety of animals. Bird watching is excellent year-round, while the lagoons are home to bream, catfish and the feisty Tiger fish. Otters, honey-badgers, the shy pangolin, and a variety of the smaller wild cats such as civets, servals and genets are also seen on occasion in the Delta. Activities focus on offering guests a water-based experience and led by professional and knowledgeable guides who will accompany guests on all game activities. Activities are conducted by your own professional guide (a maximum of two guests per guide); a man who was born in the area and who lives in the local community.

ACCESS

Due to the remote location, Oddballs Camp is only accessible by light aircraft. The approximate 30 minute flight from Maun allows for you fly over the Okavango Delta and experience the intricate waterways and floodplains from bird-eye level. This adds so much to your experience, as you start and end the in the same way - with a great view.
